REMARKS OR ADDITIONAL ROUTING

The attached table was prepared by the EC nine's embassies in Buenos Aires. Security operations continue to affect EC-9 nationals and the GOA has been less than cooperative in these cases, (e.g. the recent Videla to Giscard letter suggested that if the French would limit the actions of a montonero leader in France, it would facilitate Videla's efforts in finding the nuns.)

We now await the EC demarche--an important step.
